It is always complicated when buying a house, whether small or large, due to the many factors that we have in mind. From the choice of location, to the choice of project and finishes... there are many doubts that arise.

At Predial Imonorte, we provide our customers with a wide range of opportunities that you can see in the attached presentation, the new concept of sustainable construction, in which light steel/wood is the main structural material. It is covered, externally and internally, with high quality industrialized elements that give the final product comfort, durability and safety, with the following benefits: QUALITY, SUSTAINABILITY, DURABILITY, SPEED, EFFICIENCY, FLEXIBILITY, ADVANTAGE, INNOVATION, ECONOMY, HEALTH, WELL-BEING, ANTI-POLLUTION, RECYCLABLE, ENERGY, GUARANTEE AND PRICE.
